( ) ESTABLISHING (X) AMENDING ( ) VACATING

TYPE OF ALTERATION: 2-Hour Parking, 8 A.M. to 6 P.M., Except Sat., Sun., & Hol.

GENERAL LOCATION: 700 block 22nd St N, both sides

Report:

A request, application, and petition were received to investigate the 700 block of 22nd Street North for 2-Hour parking. The street currently has several small sections of 2-Hour parking. This parking change would fill in the gaps of unregulated parking.

It is hereby noted that 100% of the footage is requesting establishing the 2-hour parking on the West side. 91% of the footage on the East side is also requesting the 2-hour parking change. It is therefore recommended to install the 2-hour parking in the 700 block of 22nd Street N on both sides of the block.

WHEREAS, Section 44-39 of the City of La Crosse Municipal Code of Ordinances provides that after obtaining a report and recommendation of the Traffic Engineer, the Chief of Police shall forward recommendations and appropriate orders to the Board of Public Works.

AND WHEREAS, the Findings of the Traffic Engineer state the public interest, convenience, and necessity, the Chief of Police hereby Orders the above traffic alterations, to wit:

- Establish 2-Hour parking in the 700 block of 22nd Street North as detailed above.

NOW, THEREFORE, the Board of Public Works hereby approves the aforementioned traffic alteration, and City staff is hereby authorized to effect said changes.
