From the Offices of the Traffic Engineer
and the Chief of Police
City Hall

CITY OF LA CROSSE
BOARD OF PUBLIC WORKS
Findings & Orders:

November 10, 2014

(X) ESTABLISHING ( ) AMENDING ( ) VACATING

TYPE OF ALTERATION: 2 Hour Parking, 8:00 A.M. to 6:00 P.M., Except Sat., Sun., and Hol.

GENERAL LOCATION: east side of the 100 block of 16th Street South, from Main Street to King Street

Report:

A request and petition have been received from the owner(s)/resident(s) of said block(s) regarding the feasibility of creating time-limited parking zones to alleviate on-street parking congestion and unavailability. Parking on the west side of this block is currently unrestricted, and vehicles from the University of Wisconsin, La Crosse, regularly occupy it.

Those petitioning for 2-hour parking represent 100% of the east side of the street. This is considered prima facie evidence for a change in on-street parking. The zoning is entirely Residential, so properties may be eligible for free, non-expiry permits from the Police Department. It is therefore my recommendation to establish 2-Hour parking, as detailed above.

WHEREAS, Section 44-39 of the City of La Crosse Municipal Code of Ordinances provides that after obtaining a report and recommendation of the Traffic Engineer, the Chief of Police shall forward recommendations and appropriate orders to the Board of Public Works.

AND WHEREAS, the Findings of the Traffic Engineer state the public interest, convenience, and necessity, the Chief of Police hereby Orders the above traffic alterations, to wit:

- 2-Hour parking in the 100 block of 16th St S, as defined above.

NOW, THEREFORE, the Board of Public Works hereby approves the aforementioned traffic alteration, and City staff is hereby authorized to effect said changes.

Matthew A. Gallager
Deputy Dir. Engineering & Public Works

Shawn Kudron
Chief of Police
