Neighborhood Greenway (Bicycle Boulevard) Design Workshop

Call to Order, Roll Call

Agenda Items:

The City of La Crosse is looking for public feedback on a neighborhood beautification and improvement! As part of the La Crosse Bicycle and Pedestrian Master Plan prepared in 2012, the planning process identified Avon Street for potential improvements that would make neighborhoods greener, more walkable, and more bicycle-friendly.

1 Open House

Displays boards summarizing traffic volume, speed, and crash data. Additional display boards will show neighborhood greenways implemented in other cities.

2 Visual Preference Survey

Breaks down neighborhood greenway treatments. Workshop participants are invited to review these treatments, vote for treatments they like, and identify potential locations for solutions. This process will demonstrate how neighborhood greenways can be implemented on a sliding scale depending on how much traffic speed or volume reductions would be needed.

3 Presentation and Interactive Discussion

Cover what steps will be taken as part of the planning process.

Adjournment

Notice is further given that members of other governmental bodies may be present at the above scheduled meeting to gather information about a subject over which they have decision-making responsibility.

NOTICE TO PERSONS WITH A DISABILITY

Requests from persons with a disability who need assistance to participate in this meeting should call the City Clerk's office at (608) 789-7510 or send an email to ADAcityclerk@cityoflacrosse.org, with as much advance notice as possible.
