Dear Common Council

My Name is Terry Schlitz, 727 Monitor St, corner Aeon, Monitor St's (608) 782-5561. Right by this Marine Credit Union. I strongly object to purchase of this property, more apartments means more problems, vandalism, theft drugs etc, but also potential housing of homeless, has us seriously considering selling our home of 27 years, Our concerns are coming from us, because we are living right by this, not away from problem, which is a considerably amount more than making a vote and not have to live with the consequences. I called every council member some no response, 7,018 called back I enjoyed talking with you and caring, people like us are the vulnerable because we the ones who suffer with, theft, drugs etc from this. Called Mayor Reynolds, no response, this is not right, not impressed, Do you not think this money could be used for other things. If anyone, including mayor wants to talk to me or call please do preferably before you vote.

Thank you

Terry Schlitz

After a long night I
got up at 6 AM and
had breakfast. I
then went to the
post office to mail my
books. I then went
to the library and got
my books. I then
went to the bus stop
and waited for the
bus. When the bus
came I got on and
sat next to a man who
was reading a book.
I then got off the bus
and went to the
library. There I
read a book about
the history of the
United States.
