**RE: City of La Crosse, Wisconsin  
Industrial Development Revenue Bonds, Series 2016  
(S&S Cycle, Inc. Project)**

Hi, Nikki:

Thank you so much for getting back to me regarding the revised Initial Resolution for S&S Cycle, Inc. to be considered by the Common Council on December 10, 2015. It has come to our attention that S&S Cycle, Inc.'s facility at 14025 County Highway G, Viola, WI 54644 is located in the Town of Forest, Richland County, Wisconsin (rather than Village of Viola). We have requested the Town of Forest to consider an Initial Resolution on or about January 12, 2016.

Please find attached the following revised documents to reflect these changes (clean and compared versions are attached):

- Initial Resolution to be considered by the Common Council on December 10, 2015
- Procedure Letter
- Form of Notice of Public Hearing (TEFRA Notice)
- Bond Summary

In addition, the executed Notice of Intent (job estimates form) is attached.

For agenda purposes, please describe the Initial Resolution as follows for the Common Council meeting on December 10, 2015 (please use exact wording for the agenda):

- "Consideration of an Initial Resolution Regarding Industrial Development Revenue Bond Financing for S&S Cycle, Inc. Information with respect to the job impact of the project will be available at the time of consideration of the Initial Resolution."

If you have questions, please contact me. We apologize for any inconvenience. Thank you so much, Nikkil
