1224 Island Street
La Crosse, WI 54603**

To Whom It May Concern,

Craig's Towing and Repair would like to have the lot at 410 Wood Street rezoned to heavy industrial. The short term plan would be to fence the lot and use it as storage for vehicles. In the future there is a possibility of building an additional updated repair shop. We currently have a repair building and storage lot across the street at 1224 Island Street and need room for growth.

Sincerely,
