Comments:
Applying to remove top section of shoring system that was installed for the parking ramp project. This is due to vibration concerns and space requirements.

The undersigned understands and agrees to the following: 1) The permitted work shall comply with all permit provisions and conditions listed on and attached to this form; 2) That insurance requirements shall be met prior to approval either by submitting information with application or by keeping current information on file with the Engineering Dept.; 3) The applicant shall contact City Dispatch and the City Traffic Engineer 24 hours prior to the closure of any traffic lanes and shall provide an estimate of the duration of the closure. Temporary traffic control shall be provided and maintained by the applicant and shall comply with Part 6 of the Manual on Uniform Traffic Control Devices (MUTCD).

Note: Once invoiced, application fees may not be refunded. Details of permit, including dates, may be modified with approval of the Engineering Department.
