**Q6: Are there any future dates that you would consider hosting an event at the La Crosse Center?**

We should be set for Tribute to Outstanding Women in Nov- we will be in touch about next year's April event

**Q7: Areas of service that you thought most impressive:**

Mike does a great job prior to the event ensuring we communicate about details. Thank you Mike!

**Q8: Area(s) of service that you feel need to be addressed and improved:**

It is frustrating when we arrive and there is nobody around to help set up and check tech stuff. We always end up hunting someone down but it is stressful. If tech people could check in shortly after our agreed upon arrival time or at least an hour before the event, that helps.

**Q9: Overall impression and general comments:**

Great- thank you

space / accommodating staff

**Q8: Area(s) of service that you feel need to be addressed and improved:**

GET A DAMN BIG SCREEN AND A HIGH RESOLUTION, SUPER BRIGHT PROJECTION UNIT FOR USE DURING PRESENTATIONS!!!!!! The current screen is like looking at a postage stamp, and you can hardly see it if the low-power room lights are on. That is the only reason for the previously given low scores on your survey. I'm sure we aren't the only group that would pay for its use.

**Q9: Overall impression and general comments:**

**Q6: Are there any future dates that you would consider hosting an event at the La Crosse Center?**

None at this time, but possibly in the future. We would bid on a national conference if direct air travel was available.

**Q7: Areas of service that you thought most impressive:**

Every last minute request was addressed and taken care of without issue. Very easy to work with the staff

**Q8: Area(s) of service that you feel need to be addressed and improved:**

The sound quality in Hall A was a bit unclear at the opening banquet with the lavalier mikes. Not a major issue and it might have been where the person was wearing it. Signage was a bit of a problem but it was probably more of our problem. A floor map in the entrance might help. We also should have arranged for some water to be available in the seminar rooms. Radisson is a bit of a walk for some people.

**Q9: Overall impression and general comments:**

We heard many positive comments about the convention and the facility. Space was super for our needs. Staff were great to work with. We have one of the best facilities for conventions and the location near bars, restaurants, stores and the river is great. Thank you for taking care of our needs and helping us have a great convention.

Chaotic on our part and the La Crosse Center staff really helped to smooth out where our team was lacking. We couldn't have done it without them. Order me five Jeff clones once they are complete. ;)
