- _____ 5) I chose a residence on the same block, in part, because the entire block was
_____ Zoned R-1 with the expectation it would remain R-1.
Although Olson and I both own property on the block, I live there, Olson does not.

I further certify that I am the owner of the following described lands (include legal description from tax bill):

NOTE: In order for the entire parcel to count toward the protest percentage, all owners must sign this objection. For example, if only the husband signs for a property that both husband and wife own, only one-half (1/2) of the parcel is counted.
