Hello Ms. Brown-

I am reaching out with a new project I am proposing in the city of LaCrosse. I got your email from Mr. Carlyon as the person to contact about the project. He suggested I present at the next Park Board Meeting.

Are you aware of the Kindness Rock Project? I registered to oversee Kindness Rocks-LaCrosse, a group looking to spread inspiration and random acts of kindness. The National project has 2 main goals: 1) inspire others through randomly placed rocks along the way, and 2) recruit every person who stumbles upon it to join in the pursuit of inspiring others through random acts of kindness.

I am looking to add LaCrosse to the many cities nationwide that are creating inspiration gardens for people to "take a rock, share a rock, and bring a rock". My goal is to not create any more work for any employee... I am simply looking for a "place" that already has rocks, to hold an inspiration garden.... I was thinking Chad Erickson Memorial Park or the new Trane Park once completed.

Is this allowable within the City of LaCrosse?

Thank you for your time,

Sarah Barrett- Mosley
