Dear Jared Flick,

The Parenting Place Children's Festival is held every August. The Children's Festival is a fundraiser for us. The proceeds go toward our free Parent Education and Support programs – classes, workshops, support groups, play groups, individual parent education, and home visits.

The Children's Festival is held on a Saturday in August. We would like to reserve the Myrick Park Main Shelter for the day before the event, Friday, August 24, 2018 and Saturday, August 25th, 2018. Our second choice for this event would be Friday, August 17th and Saturday, August 18th.

The Children's Festival is held on a Saturday morning from 9:00 AM – 12:00 PM. The price for a festival button is \$4.00 in advance; 3 for \$10.00; \$5.00 on the day of the event. Children under one do not need a button. At the event we focus on offering fun, hands-on activities, games, crafts for children and families to enjoy together.

This is a whole staff event with many, many volunteers helping us. I believe it is a special festival for La Crosse that has as its mission to offer families and children a morning of simple and nourishing interaction.

Thank you.

Walk to Cure Diabetes

Dear Board of Park Commissioners,

The Western Wisconsin Chapter of the Juvenile Diabetes Research Foundation has sponsored a fall Walk to Cure Diabetes for the last 16 years. Each year a group of local volunteers made up of parents raising children with Type 1 diabetes has organized this fundraiser at Myrick Park main shelter and in 2016 we had approximately 500 people participate. The walk is a short 20-minute kid-friendly event and uses the trail past the Nature Center. This is a family focused event open to the public and although our goal is to raise funds for research we also have refreshments and activities (face painting, games, crafts) for the attendees so they can socialize and spend a day sharing their experiences of how they cope with this chronic disease. We do not charge any registration or participant fee (registration is not required) and all participants are welcome at the event whether they have raised money or not.

Year-to-year we have tried to keep our event the first Sunday in October and have selected Sunday, October 7, 2018 as the target date for next year's walk. We are requesting use of the main shelter at Myrick Park. Our second choice would be Sunday, October 14, 2018. In the past, we have started setting things up at 8:30 a.m. with activities beginning at noon and the walk starting at 1:00 p.m. Refreshments are served following the event and clean-up is completed by 5:00 p.m. Thank you for your help in starting our planning for our next walk.

Subject: pre-booking Cameron Park for 2018 Farmers Market

Dear Park Board Commissioners,

We the La Crosse Farmers Market Association would like to reserve Cameron Park and the Cameron Park Market Canopy for the 2018 Cameron Park Farmers Market .

Our season will run Fridays and Saturdays from Friday May 4th thru Saturday October 27th. Friday hours reserved from 12pm until 8pm and Saturday hours reserved from 7am until 1pm covering twenty-six Fridays and twenty-six Saturdays.

As in the past we would pay the Community event rate of 50% off, less sales tax, for the canopy. It is my understanding the rate for the Canopy is \$109 before tax.

In addition we would pay a flat sum of \$500 for the use of the park covering all Fridays and Saturdays as previously agreed upon.

I calculate this to be:

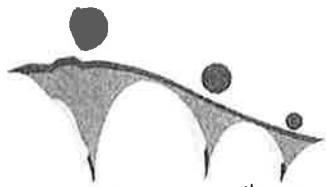

$\$109 \times 52 \times 50\% = \2834
 + 500
TOTAL \$3334

If these terms are agreeable to you it is my understanding that we do not need to attend the November 16th Park Board Meeting and our payment is due by 1/31/18.

Thank you for your consideration,

It is our hope that this relationship can continue to grow as we begin planning for our biggest turnout in year 4.

We are officially requesting the following:

- Use of Copeland Park field Friday, August 3rd for pre-race set up and packet pick up from 5-7pm.
- Use of Copeland Park field Saturday, August 4th from 6am-1pm for the event and set up / clean up. (The event itself will be held from 8am-11am)
- Use of 30' of grass that connects the left field fence gate to Copeland Park Way for runners in and out of the park.
- Flexibility in schedule. We are currently waiting for the Loggers schedule which has not arrived as of the drafting of this letter (11.8.17). We typically run the race the first Saturday in August, but we would like to request the ability to move the event date one Saturday in either direction depending on outcome of scheduling. The date will be confirmed by the end of November 2017.

These funds are vital to the program efforts of that help thousands of people in our city every year. Dear Board of Commissioners:

As the CEO and Founder of AAMAN, it gives me immense pleasure to present this letter of request. This year will be our fourth annual Citywide Juneteenth Celebration. Juneteenth is the oldest nationally celebrated commemoration of the ending of slavery in the United States. From its Galveston, Texas origin in 1865, the observance of June 19th as the African American Emancipation Day has spread across the US and beyond.

Today Juneteenth commemorates African American freedom and emphasizes education and achievement. It is a day, a week, and in some areas a month marked with celebrations, guest speakers, picnics and family gatherings. It is a time for reflection and rejoicing. It is a time for assessment, self-improvement and for planning the future. Its growing popularity signifies a level of maturity and dignity in America long over due. In cities across the country, people of all races, nationalities and religions are joining hands to truthfully acknowledge a period in our history that shaped and continues to influence our society today. Sensitized to the conditions and experiences of others, only then can we make significant and lasting improvements in our society.

Last year was our third year hosting this event at the South Side Neighborhood Center and Poage Park on Sunday, June 19, 2016 on Father's Day. Our Mayor, City Council, La Crosse County, Department of Human Services, Parks and Recreation, Mayo, Gundersen Lutheran and the County Board co-sponsors this event each year which helped curve cost.

Our Juneteenth Planning Committee has selected **Saturday, September 22, 2018** for this and future celebrations. We chose September 22nd for two reasons:

- **One**, the historically significant date of 9/22/1862, President Abraham Lincoln issued a preliminary Emancipation Proclamation, declaring that as of January 1, 1863, all slaves in the rebellious states "shall be then, thenceforward, and forever free." This declaration leads to the Juneteenth Celebration years later.
- **Two**, University and College student's participation, their student clubs, organizations including Saint Mary's University, UWL, Viterbo and WSU participation and encouragement of the university's partnering with the Celebration as part of their mandated Constitution Day also held in September.

As always, this event is free and opened to the public of all age groups. We are requesting the **South-Side Neighborhood Center and Poage Park as our first choice**. Our second choice is Black River Beach Neighborhood Center.

Date requested is **Saturday, September 22, 2018**. The time is **12:00 noon to 5:00 p.m.** Activities scheduled are:

- Basketball Tournament- (Sponsored by La Crosse Showtime Basketball- Troy Yarolimek)
- Short Juneteenth Documentary- (Locally Produced)
- Tour of local African-American Historical Sites and locations by the Historical Society
- African Drummer Classes
- Andrew Fischer Sweet Lou Barbeque-Food Truck
- Local College's and University's Student Clubs and Organizations Presentations
- City Fire, Police, Sheriff Departments, local City and Government Exhibits

We're good to pay you too, though I would love it if the prices were held between years. It's still a struggle for us to hit B/E when we're blessed with unpredictable Wi weather. RE: Ugly Sweater 5k Walk / Run

Dear Board of Park Commissioners,

La Crosse Rotary After Hours Club (RAH) in conjunction with the Rotary Lights respectfully requests the use of Myrick Park to hold the annual "Ugly Sweater 5K". This family centered fundraising event consists of a 5k fun run walk along the jogging path from Myrick Park to Riverside Park under the Rotary Lights. Proceeds of the event go to help build and maintain trails and natural habitat in and around the Upper Hixon park in La Crosse. The La Crosse Park and Recreation Department has been a partner of this event for each of the previous years and is crucial to us putting on a top-notch experience for participants and their families. It is our hope that this relationship can continue to grow as we begin planning for our biggest and best turnout in 2018.

We are officially requesting the following:

- Use of Myrick park for pre-race set up and packet pick up from Noon-4pm.
- Use of Myrick Park Saturday December 8th from 8am-8pm for the event and set up / clean up. (The event itself will be held from 4pm-6pm)
- Use of the jogging paths for the race route from Myrick Park and finishing at Riverside Park
- Flexibility in schedule. We are currently waiting for the Rotary Lights schedule. We typically run the race the 2nd Saturday in December but we would like to request the ability to move the event date one Saturday in either direction depending on outcome of scheduling. The date will be confirmed as soon as possible.

RAH has recently voted to commit up to \$5,000 annually as well as 6 major volunteer efforts per year to the maintenance and preservation of the area known as Upper Hixon Park and the surrounding prairie lands. RAH uses the sponsorships and registrations generated by this event to help in those efforts. These funds are vital to our ability to follow through on that commitment. I would like to take this opportunity to thank you in advance for your consideration in this matter. Your partnership truly makes this event possible. Thank You!

Time:	9:00 a.m. – 11:30 a.m. (cleanup included)

Area Used: Upper Hixon Forest parking area/cul-du-sac and the trails described below.

Here's the route description: The race starts on the nice wide **Prairie Loop** trail with a gentle spacing climb for approximately 0.5 miles before turning onto **BOB** – a slightly descending single track with ample twists, turns, and limited passing space before dropping into *Aby's* and a challenging climb back to **Prairie Loop** via **Moonshine**. Once back on **Prairie Loop**, ample passing room is again available before hitting the water station and dropping in on *OB1* with a sharp descent before cutting over to **Buckthorn** and winding to Mile #2 before entering the woods and making the short, but steep climb up to **La Crosse Ridge Loop**. Dear Parks Board:

I write to request the usage of Cameron Park, Saturday, June 16th from 3:00 p.m. – 11:00 p.m. for a Food Truck and Movie Night Event/Fundraiser. The fundraising aspect will mainly be from sponsors and donations of sales from the food trucks. The event will be free of charge and open to the public. There will be no fundraising or solicitation at the event save a small donation jar. The event is to celebrate our Big Brothers and Big Sisters and provide a unique and fun event to the La Crosse Community.

Would you please allow us to utilize Cameron Park for this event? It is a great location just a few blocks from our offices. We'll work to have the canopy side Jay Street closed as it is for the farmers market to ensure proper use of the park.

Our mission is to provide children facing adversity with strong and enduring, professionally supported one-to-one relationships that change their lives for the better, forever. We accomplish this mission largely through event sponsorships.

Please call us today at 608.782.2227 or email jlarsen@7riversbbbs.org if you have any questions.
