Hello Mrs Brown,

I am emailing you as a representative of the **Coulee Region Chapter of Pheasants Forever.** Our organization would like to hold a fundraiser within the Myric Park Center. Tammy from WisCorps instructed me to ask if you could add this request to the next park board agenda. WisCorps would be sponsoring the event and allowing us to use the building free of charge.

We will be catering the event and there will be alcohol. We have all the proper insurance for such an event and will be filling all the appropriate permits shortly.

Thanks for your time! Please let me know if we can get on the agenda or if there is any further information you might need from us.
