Good afternoon,

I am writing you to get placed on the Park Board Agenda for the upcoming meeting. I am from River City Youth Hockey and I am requesting the City's permission to use some of the Green Island field and parking lot in conjunction with a fundraiser we are hosting that will benefit our youth hockey association. I have attached a topical map of Green Island and have marked the 2 possible areas that we would to use.

We will be hosting an Adult Hockey tournament October 5-7th. We are hoping to draw 6 teams from the Tri-State area for this event. We will be submitting our picnic permit to the City so that we can sell Pearl Street Beer on the 6th in the parking lot/field area of Green Island. We have a large striped tent rented and will be setting up a large perimeter with snow fence to contain the area that alcohol will be served/consumed in. We have parent volunteers that will be ID'ing the participants. We are hoping to have a slap shot contest and a cornhole game going, in the area we are requesting from the City to use. We are working with area hotels for the best rates for the teams coming in from out of town.

All of the money raised will be used to help our organization provide an opportunity for any child in the La Crosse area that wants to play hockey, the means to play hockey. We provide equipment for any child that needs it for the season, we strive to keep our costs low so that any family can afford it. We also use the raised funds for our scholarships to help low-income children play hockey.

Please let me know what other information you need for me to get this on the agenda.

Thank you!

Katie Anderson
