

Board of Zoning Appeals

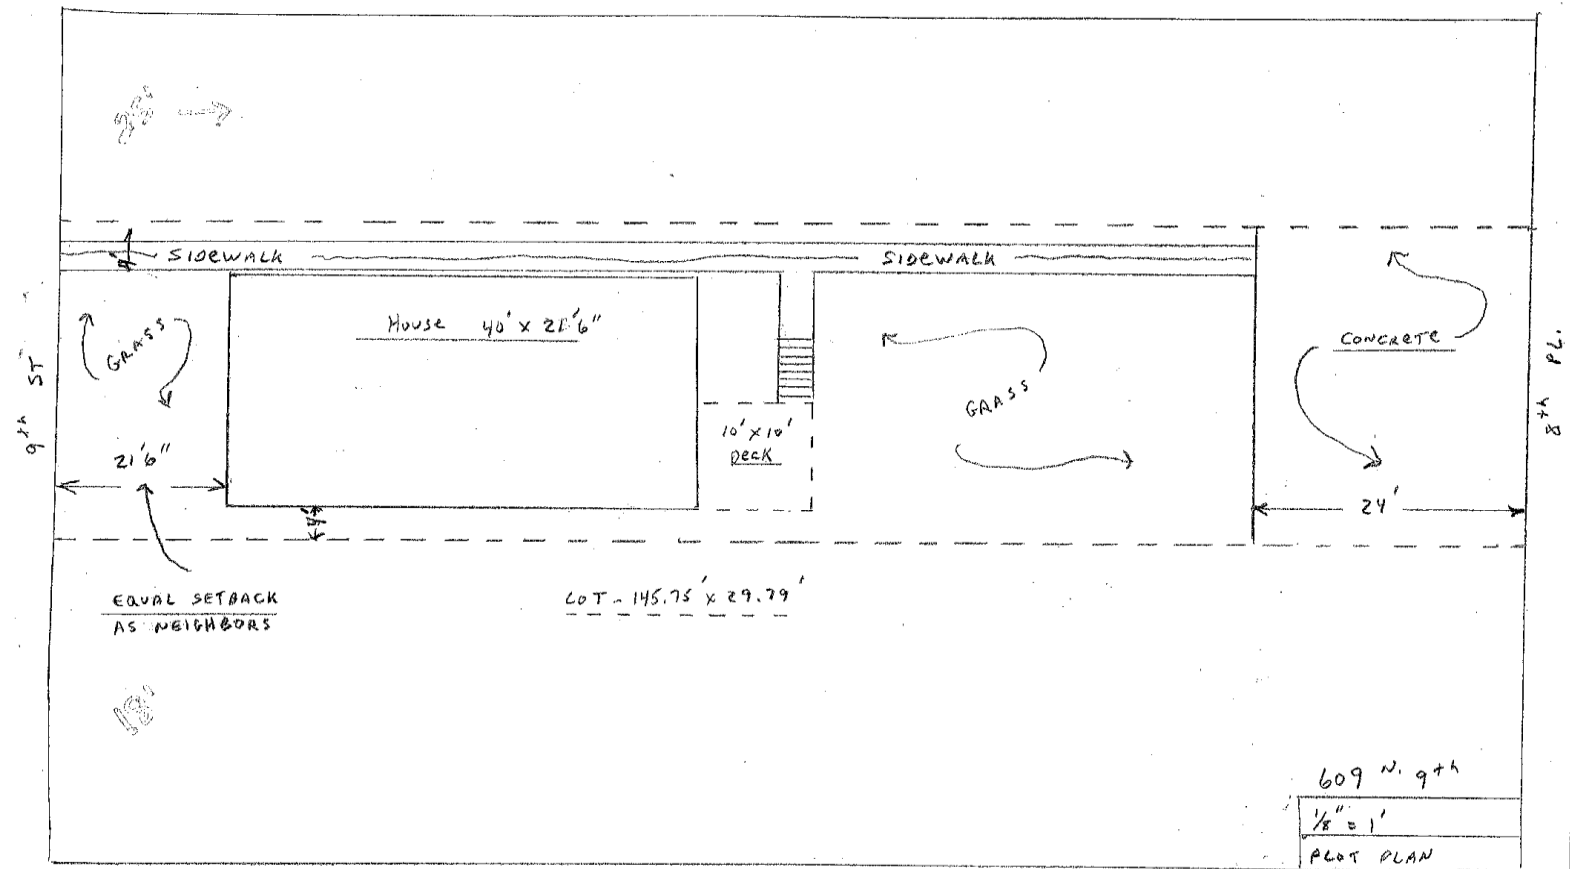

August 17th 2016

7:00 pm

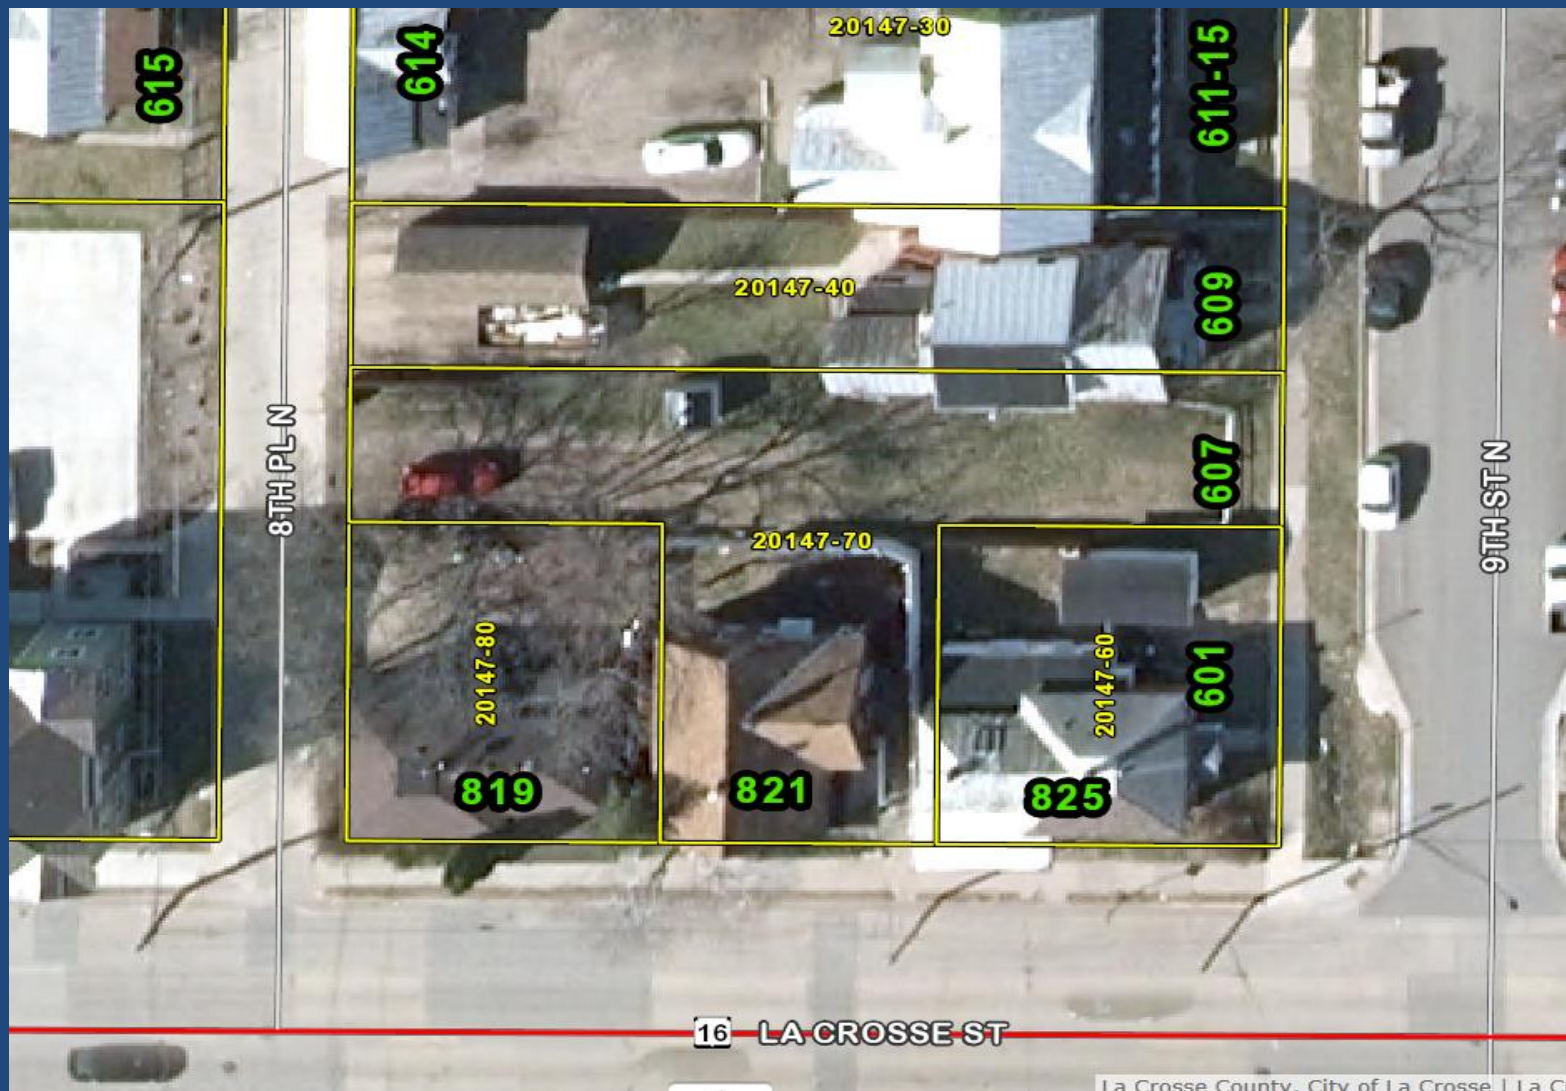

609 9th St. N.

- A contractor had applied to construct a new single family dwelling. Upon a survey provided by the adjoining neighbor it was discovered that the new dwelling was placed 1 ft. to close to the property line.
- Municipal code section 115-143(c)(3)(b) states that on lots less than 44 feet in width the side yard setback may not be less than 4 feet in width..
- On the plans submitted to this office the contractor proposed a 4 foot side yard set back. A 1 foot variance to the required 4 foot side yard set back will need to be granted for this project to proceed as proposed.
