Dear Park Board Commissioners,

On Saturday, November 24th 2018, Empowerment in Circles, my women's support group would ask to hold a winter clothing drive from 9:00AM until approximately 3:00PM. This event would involve a group of women and myself collecting clothing items to donate to New Horizons Outreach Center located here in La Crosse. This event would involve a small table in a small section of the park with boxes to hold our donations. We feel that Cameron Park would be a great location for this charitable event!

Thank you for your consideration of Board approval!
