

Jake Beckel - I live at
1643 Charles St, next door to
Nancy & Jerry.

I have no problem with their
request to build a deck on
the front of their home,
and see no reason they shouldn't
be granted this request.

To me specifically, it would not
be any inconvenience, eye-sore,
or otherwise.

To whom it may concern:
Jerry & Nancy Kjos would
like to add a deck to the
front of their home @ 1647
Charles St. Such an
addition would not
interfere or impinge
on my property next
door in any way.
Therefore, I certainly
have no objection to
them building said deck.
