Thanks for your assistance with getting Three Sixty on the agenda for the August 15th Parks Board meeting at 5:30 pm, Main Chambers, City Hall.

Attached is the design for the Boulevard along 1243 Badger St. (in front of the Three Sixty office and Aguilera Apartment building)

We appreciate your time and review.

Thank you,

Linda Seidel

Matt, just confirming that we'll be moving forward with improving the boulevard as discussed in previous e-mails to provide for better traffic in and out of the Three Sixty/Aguilera building.

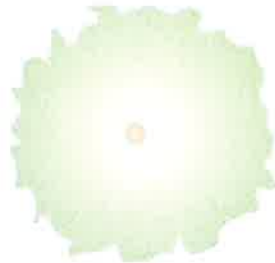

We appreciate your review specific to striping for the 30 min. parking and understand this is not considered within the downtown district.

Thanks for your review and response; I've attached a copy of the boulevard schematic for your records,

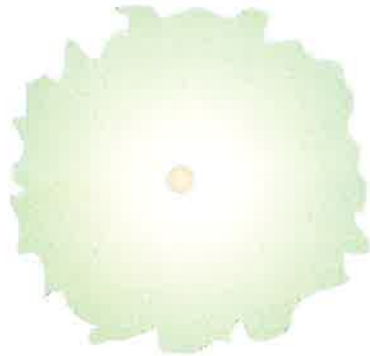

Linda Seidel
