RESOLUTION APPROVING THE PROJECT PLAN & BOUNDARY AMENDMENT OF TAX INCREMENTAL DISTRICT NO. 17, CITY OF LA CROSSE

WHEREAS, the City of La Crosse (the "City") seeks to amend the project plan and boundaries for Tax Incremental District No. 17 (the "District"), and

WHEREAS, Wisconsin Statutes Section 66.1105 requires that a Joint Review Board (the "JRB") shall convene to review the proposal, and

WHEREAS, the JRB consists of one representative chosen by the School District; one representative chosen by the Technical College District; and one representative chosen by the County, all of whom have the power to levy taxes on property within the District; and one representative chosen by the City and one public member, and

WHEREAS, the public member and JRB's chairperson were selected by a majority vote of the other JRB members before the public hearing was held, under Wisconsin Statutes Sections 66.1105 (4)(a) and (e), and

WHEREAS, all JRB members were appointed and the first JRB meeting was held within 14 days after the notice was published under Wisconsin Statutes Sections 66.1105 (4)(a) and (e), and

WHEREAS, the JRB has reviewed the public record, planning documents, the resolution adopted by the Plan Commission approving the District and adopting the Project Plan amendment, and the resolution passed by the Common Council approving the amendment of the District under Wisconsin Statutes Section 66.1105 (4)(gm);

WHEREAS, project costs benefitting the District are to be made outside of, but within a one-half mile radius of the District, pursuant to Wisconsin Statutes Section 66.1105(2)(f)1.n, as identified in the project plan; and

WHEREAS, the JRB has considered whether, and concluded that, the District continues to meet the following criteria:

- 1. The development expected in the District would not occur without the use of tax increment financing and the amendment of a tax incremental district.
- 2. The economic benefits of the District, as measured by increased employment, business and personal income and property value, are sufficient to compensate for the cost of the improvements.
- 3. The benefits of the proposal outweigh the anticipated tax increments to be paid by the owners of property in the overlying taxing districts.

NOW, THEREFORE, BE IT RESOLVED that the JRB approves the Project Plan and Boundary Amendment of this District.

BE IT FURTHER RESOLVED that in the judgment of the JRB, the development described in the Project Plan, the information provided by the City, and the public record and planning documents relating to the District, would not occur without the amendment of the District.

Passed and adopted this 7+n day of August, 2019.
