Dear Teri Lehrke,

We are writing to file a written objection to the limited exemption application filed by Gerke Excavating, Inc. spelled out in the letter we received dated April 27, 2020. We do not want an earlier start time or work into the evening hours. We rely on the early mornings, evenings and weekends to recover from the noise and vibrations during the day. With the Safer at Home orders, we are not able to leave our house to avoid the noise and disruptions. Thanks for your consideration for our family.
