TYPE OF ALTERATION: Remove No Parking, No stopping or standing

GENERAL LOCATION: 900 block of 2nd Street S, both sides.

Report:

A request was received to investigate the 900 block of 2nd Street S for the removal of no parking and the removal of No stopping or standing signs. The signs were installed originally to prevent semi-trucks from parking on the street. Removing the parking restriction would allow other vehicles to park in the area and continue to prevent semi-trucks from parking on the street.

It is hereby noted that the businesses adjacent to these blocks agree with the change. It is therefore recommended to remove the No Parking and the No Stopping Or Standing signs in the 900 block of 2nd Street S on both sides of the street.

WHEREAS, Section 44-39 of the City of La Crosse Municipal Code of Ordinances provides that after obtaining a report and recommendation of the Traffic Engineer, the Chief of Police shall forward recommendations and appropriate orders to the Board of Public Works.

AND WHEREAS, the Findings of the Traffic Engineer state the public interest, convenience, and necessity, the Chief of Police hereby Orders the above traffic alterations, to wit:

- Remove No Parking, No Stopping Or Standing in the 900 block of 2nd St. S, both sides.

NOW, THEREFORE, the Board of Public Works hereby approves the aforementioned traffic alteration, and City staff is hereby authorized to effect said changes.
