	Program, Wetland mitigation, shoreland zoning mitigation plan or comparable programs), along with disclosure of any
	penalties, fees, withdrawal charges, or payback obligations pending, or currently deferred, if any. This contingency will be

	Parties agree this provision survives closing.
	N/A MANAGED FOREST LAND: All, or part, of the Property is managed forest land under the Managed Forest Law (MFL)
	This designation will continue after closing. Buyer is advised as follows: The MFL is a landowner incentive program that
113	encourages sustainable forestry on private woodlands by reducing and deferring property taxes. Orders designating lands as
114	managed forest lands remain in effect for 25 or 50 years. When ownership of land enrolled in the MFL program changes, the
	new owner must sign and file a report of the change of ownership on a form provided by the Department of Natural Resources
	and pay a fee. By filing this form, the new owner agrees to the associated MFL management plan and the MFL program rules
	The DNR Division of Forestry monitors forest management plan compliance. Changes you make to property that is subject to
118	an order designating it as managed forest land, or to its use, may jeopardize your benefits under the program or may cause
119	the property to be withdrawn from the program and may result in the assessment of penalties. For more information call the
120	local DNR forester or visit http://www.dnr.state.wi.us .

- FENCES: Wis. Stat. § 90.03 requires the owners of adjoining properties to keep and maintain legal fences in equal shares where one or both of the properties is used and occupied for farming or grazing purposes.
- 123 CAUTION: Consider an agreement addressing responsibility for fences if Property or adjoining land is used and occupied for farming or grazing purposes.
- USE VALUE ASSESSMENTS: The use value assessment system values agricultural land based on the income that would be
 generated from its rental for agricultural use rather than its fair market value. When a person converts agricultural land to a
 non-agricultural use (e.g., residential or commercial development), that person may owe a conversion charge. To obtain more
 information about the use value law or conversion charge, contact the Wisconsin Department of Revenue's Equalization
 Section or visit http://www.revenue.wi.gov/.
- FARMLAND PRESERVATION: Rezoning a property zoned farmland preservation to another use or the early termination of a farmland preservation agreement or removal of land from such an agreement can trigger payment of a conversion fee equal to 3 times the class 1 "use value" of the land. Contact the Wisconsin Department of Agriculture, Trade and Consumer Protection Division of Agricultural Resource Management or visit http://www.datcp.state.wi.us/ for more information.
- 134 **CONSERVATION RESERVE PROGRAM (CRP):** The CRP encourages farmers, through contracts with the U.S. Department 135 of Agriculture, to stop growing crops on highly erodible or environmentally sensitive land and instead to plant a protective 136 cover of grass or trees. CRP contracts run for 10 to 15 years, and owners receive an annual rent plus one-half of the cost of 137 establishing permanent ground cover. Removing lands from the CRP in breach of a contract can be quite costly. For more 138 information call the state Farm Service Agency office or visit http://www.fsa.usda.gov/.
- SHORELAND ZONING ORDINANCES: All counties must adopt shoreland zoning ordinances that meet or are more restrictive than Wis. Admin. Code Chapter NR 115. County shoreland zoning ordinances apply to all unincorporated land within 1,000 feet of a navigable lake, pond or flowage or within 300 feet of a navigable river or stream and establish minimum standards for building setbacks and height limits, cutting trees and shrubs, lot sizes, water runoff, impervious surface standards (that may be exceeded only if a mitigation plan is adopted) and repairs to nonconforming structures. Buyers must conform to any existing mitigation plans. For more information call the county zoning office or visit https://www.dnr.state.wi.us/. Buyer is advised to check with the applicable city, town or village for additional shoreland zoning restrictions, if any.
- BUYER'S PRE-CLOSING WALK-THROUGH Within 3 days prior to closing, at a reasonable time pre-approved by Seller or Seller's agent, Buyer shall have the right to walk through the Property to determine that there has been no significant change in the condition of the Property, except for ordinary wear and tear and changes approved by Buyer, and that any defects Seller has agreed to cure have been repaired in the manner agreed to by the Parties.
- PROPERTY DAMAGE BETWEEN ACCEPTANCE AND CLOSING | Seller shall maintain the Property until the earlier of 150 151 closing or occupancy of Buyer in materially the same condition as of the date of acceptance of this Offer, except for ordinary 152 wear and tear. If, prior to closing, the Property is damaged in an amount of not more than five percent (5%) of the selling price, 153 Seller shall be obligated to repair the Property and restore it to the same condition that it was on the day of this Offer. No later 154 than closing, Seller shall provide Buyer with lien waivers for all lienable repairs and restoration. If the damage shall exceed 155 such sum, Seller shall promptly notify Buyer in writing of the damage and this Offer may be canceled at option of Buyer. Should Buyer elect to carry out this Offer despite such damage, Buyer shall be entitled to the insurance proceeds, if any, 156 relating to the damage to the Property, plus a credit towards the purchase price equal to the amount of Seller's deductible on such policy, if any. However, if this sale is financed by a land contract or a mortgage to Seller, any insurance proceeds shall be held in trust for the sole purpose of restoring the Property.

Building permits, zoning variances, Architectural Control Committee approvals, estimates for utility hook-up expenses, special assessments, changes for installation of roads or utilities, environmental audits, subsoil tests, or other development related fees may need to be obtained or verified in order to determine the feasibility of development of, or a particular use for, a property. Optional contingencies which allow Buyer to investigate certain of these issues can be found at lines 306-350 and Buyer may add contingencies as needed in addenda (see line 525). Buyer should review any plans for development or use changes to determine what issues should be addressed in these contingencies.

© EARNEST MONEY

- HELD BY: Unless otherwise agreed, earnest money shall be paid to and held in the trust account of the listing broker (Buyer's agent if Property is not listed or Seller's account if no broker is involved), until applied to the purchase price or otherwise disbursed as provided in the Offer.
- CAUTION: Should persons other than a broker hold earnest money, an escrow agreement should be drafted by the Parties or an attorney. If someone other than Buyer makes payment of earnest money, consider a special disbursement agreement.
- <u>DISBURSEMENT</u>: If negotiations do not result in an accepted offer, the earnest money shall be promptly disbursed (after clearance from payor's depository institution if earnest money is paid by check) to the person(s) who paid the earnest money. At closing, earnest money shall be disbursed according to the closing statement. If this Offer does not close, the earnest money shall be disbursed according to a written disbursement agreement signed by all Parties to this Offer. If said disbursement agreement has not been delivered to broker within 60 days after the date set for closing, broker may disburse the earnest money: (1) as directed by an attorney who has reviewed the transaction and does not represent Buyer or Seller; (2) into a court hearing a lawsuit involving the earnest money and all Parties to this Offer; (3) as directed by court order; or (4) any other disbursement required or allowed by law. - LEGAL RIGHTS/ACTION: Broker's disbursement of earnest money does not determine the legal rights of the Parties in relation to this Offer. Buyer's or Seller's legal right to earnest money cannot be determined by broker. At least 30 days prior to disbursement per (1) or (4) above, broker shall send Buyer and Seller notice of the disbursement by certified mail. If Buyer or Seller disagree with broker's proposed disbursement, a lawsuit may be filed to obtain a court order regarding disbursement. Small Claims Court has jurisdiction over all earnest money disputes arising out of the sale of residential property with 1-4 dwelling units and certain other earnest money disputes. Buyer and Seller should consider consulting attorneys regarding their legal rights under this Offer in case of a dispute. Both Parties agree to hold the broker harmless from any liability for good faith disbursement of earnest money in accordance with this Offer or applicable Department of Regulation and Licensing regulations concerning earnest money. See Wis. Admin. Code Ch. RL 18.

The Parties understand that the availability of any judicial remedy will depend upon the circumstances of the situation and the discretion of the courts. linspections and testing buyer may only conduct inspections or tests if specific contingencies are included as a part of this Offer. An "inspection" is defined as an observation of the Property which does not include an appraisal or testing of the Property, other than testing for leaking carbon monoxide, or testing for leaking LP gas or natural gas used as a fuel source, which are hereby authorized. A "test" is defined as the taking of samples of materials such as soils, water, air or building materials from the Property and the laboratory or other analysis of these materials. Seller agrees to allow Buyer's inspectors, testers and appraisers reasonable access to the Property upon advance notice, if necessary to satisfy the contingencies in this Offer. Buyer and licensees may be present at all inspections and testing. Except as otherwise provided, Seller's authorization for inspections does not authorize Buyer to conduct testing of the Property.

NOTE: Any contingency authorizing testing should specify the areas of the Property to be tested, the purpose of the test, (e.g., to determine if environmental contamination is present), any limitations on Buyer's testing and any other material terms of the contingency.

Buyer agrees to promptly restore the Property to its original condition after Buyer's inspections and testing are completed unless otherwise agreed to with Seller. Buyer agrees to promptly provide copies of all inspection and testing reports to Seller.

501 Seller acknowledges that certain inspections or tests may detect environmental pollution which may be required to be reported

to the Wisconsin Department of Natural Resources.
