Hello City Council Members,

My name is Matt Boshcka and I am one of the owners of Dublin Square Irish Pub & Eatery in downtown La Crosse. I am writing you to thank you for your consideration of the proposed Outdoor Dining Program that you will be voting on tonight. I am also asking you to please vote in favor of this legislation as it will help our business greatly. With us currently being limited to 50% capacity we have struggled to make little profit with our business in an industry (restaurant) that already has razor thin margins. The added outdoor dining space will allow us to increase our capacity and allow more people in the community to enjoy our establishment. Thank you once again and I hope this email/message reaches you all well. Have a great day!

Regards,

Matt A. Boshcka
