Wis. DOT Project No. 1641-02-72  
Report of Quotes to Raze / Remove 2930 South Avenue

A round-about is planned for the intersection of 16<sup>th</sup> Street South, Thompson Street and South Avenue. The residential structures at 2930 South Avenue need to be removed to make way for the round-about. The City has purchased this parcel and the residence is vacant.

Quotes for the Raze / Remove of the structures were received on September 16, 2020. The quotes are as follows:

WS Trucking and Excavating Caledonia MN	\$34,550.50
Gerke Excavating Tomah WI	\$38,962.47

The Wisconsin DOT has reviewed our procedures and the quotes, and has authorized the City to award the work.

Therefore, I recommend award to WS Trucking and Excavating in the amount of \$34,550.50

Please contact me with any questions.
