WALK TO END ALZHEIMER'S

The Alzheimer's Association Walk to End Alzheimer's is the world's largest event to raise awareness and funds for Alzheimer's care, support and research. Held annually in more than 600 communities nationwide, this inspiring event calls on participants of all ages and abilities to join the fight against the disease.

The day of walk will accept walk on registrations/contributions. The event is organized by a La Crosse based volunteer leadership committee with oversight of the Alzheimer's Association Wisconsin Chapter. Most of the participant volunteers have completed registration and fundraising online, prior to the morning of the Walk. The walk is generally about 1.5-2 miles in length. Historically, the Walk gathers between 500-600 community members from the La Crosse area.

(1) Dates requested will be reviewed on a first come, first serve basis and are not guaranteed. Payment must be made by January 31st the year of your event or you will forfeit your request.

(2) Due to unforeseen acts of nature and potential construction projects the location, date, and/or time of your event may need to be changed or relocated.
