Statement *

We filled out an application for an apartment, and Ruth got references from our current landlord and was excellent references. She emailed me asked if I wanted La Crosse, or Onalaska area. She asked to send copies of our IDs and I did. Well my husband is hispanic and ever since I sent her the IDs she wouldn't respond or anything until I finally asked her to please let me know but then came back and said it's been rented without even asking which property I was inquiring about.
