Compliance & Ethics Online Grocery Pickup (Click N Go) Procedure Guide

Placing Order

- Customer visits festfoods.com and creates an account by providing applicable information such as phone #, zip code, email address, etc.
- The customer will be able to select the store of their choice from our 31 options currently in Wisconsin. Not all locations are providing this service at this time.
- Customer will be able to shop for goods at their desired location.
- Customer will be able to select a pick up timeframe no less than four (4) hours from the time of placing the order.
- No orders containing alcohol will be accepted after 3:00 p.m. for same day pick up.
- Customer completes the order by supplying their credit card information.
- Festival Foods authorizes and holds the card information, but funds <u>are not</u> transferred from the card.

Customer Pickup: Order Review

- Online Grocery Pickup (Click N Go) is currently offered between 10am-7pm, 7 days a week (except holidays or other store closures).
- When the customer arrives they will park in a clearly defined parking stall within 150 ft. of the pickup door. They will then notify our online shopper of their arrival by calling or texting their name to our online shopper cell phone.
- Only online shoppers meeting the age requirements within the regulatory jurisdiction are allowed to handle and/or dispense orders with alcoholic beverage products.
- If alcohol is not allowed to be sold at the time of dispense, the associate will not complete the transaction. The item will be removed from the transaction and the physical product will be removed from the cart.
- Licensed operator must verify that the person placing the order is the same person picking the order up. Sale is only to be made by licensed operator.
- If the customer who placed the order is not the person driving the pick-up vehicle, the licensed operator will verify the driver is over 21 by verifying a photo ID. If the driver is not over 21 years of age, the item will be removed from the transaction and the physical product will be removed from the cart.
- If the person picking up the order containing alcoholic beverages is intoxicated, a
 manager will be called to the pick-up location to determine the sobriety for purposes of
 approving or denying the sale. If the customer is deemed to be intoxicated the item will
 be removed from the transaction and the physical product will be removed from the
 cart.
- If the customer is under 21 and/or cannot provide a valid ID, the alcohol beverage products will be removed from the transaction and the physical product will be removed from the cart.
- If over 21, the customer's order will be charged accordingly and the item will be placed into the customer's vehicle by our online shopper.

Customer Pickup: Dispensing

- Once the customer and online shopper have:
 - o Reviewed any substituted items, fragile items, and out of stock items
 - o Removed any rejected products that the customer no longer wants
 - Verified the customer's age and identification if the order contained any age restricted items (and if necessary, removed age restricted items)
- The customer is then charged for the items and the customer's account is charged with the final order amount (after removing the cost of any products removed from the order)
