**Subject:** RE: Skyrockers proposed Oktoberfest shoot site

Martin,

Thanks for this information. While the Parks Department maintains the trails that are within your safety circle we don't have jurisdiction over the land. You will need to seek approval from the Redevelopment Authority of La Crosse. I have cc'd Andrea Trane, Planning Director on this email for guidance on their approval process.

From a parks standpoint we would want to see the trails closed down with barricades, or ribbon and entrances controlled during the shows. Additionally debris from the fireworks should be cleaned up and disposed of in an appropriate location following the shows.

Thank you,

*Leah Burns, AFO*

Good morning Leah,

Hopefully this image link works, if not I'll find another way to send it. I have circled a 600 foot area which resembles the safety distance needed for a 6" inch shell (actual 550' required) 6" will be the largest we can safely shoot from this area and only 30 total between both nights. Most shells will be 2.5" shells, 3" shells, or smaller cakes. Product counts may fluctuate actual but these counts are very close and are what I intend to list for the city permit.

Proposed show schedule:

9/30/21 9pm \$2500.00 show~ 13 minutes product 5 1" cakes, 20 1.75" shells, 30 3" shells, 10 4" shells 8 6" shells  
10/1/21 10am \$300 show rockets red glare and bombs busting in air for anthem 12 1.75 shells 15 3" red tail shells  
10/2/21 9pm \$7500 show ~18 minutes 10 1" cakes, 28 1.75" shells, 30 2.5" shells, 50 3" shells, 30 4" shells, 22 6" shells

Any questions or concerns please free to call.

Thank-you for working with us on this, Have a great day!
