Erin, at your request, I am resending the email referenced below. My apologies that it didn't reach you earlier. Could you please confirm receipt? Thank you.

I was employed by the La Crosse County Historical Society (LCHS) in 2004-2005 when offices were in the basement of the main library. Since then, I have been a member and volunteered as a re-enactor for the highly-successful Silent City cemetery tours. Last year, I had the honor narrating the Silent City video. I am in awe of the recent herculean strides that established the creative, educational exhibits of the Heritage Center on Main Street, which provides citizens of all ages a peek into La Crosse's history.

But, there is so much more to share about the region which would not only entice local residents, but attract tourists as well. We have long missed an opportunity to showcase La Crosse County's diverse and dynamic stories of the ingenious and innovative people who have contributed to the region's impressive legacy. Now is the time!

Please support the funding of the study for the Regional History Museum. Creating a museum of our proud heritage celebrates all of us.

Thank you.  
Suzanne Young

Hi Suzanne,  
Can you reforward your letter of support to Erin at [duffere@cityoflacrosse.org](mailto:duffere@cityoflacrosse.org)?  
I'm not sure what happened the first time, but I didn't see it listed in the minutes from last week's meeting. Erin asked me to have you resend it.  
Thank you, and thank you again for your support!
