A1

349 Sq. foot wrap-around Beer Garden located at the Northwest corner of the existing building constructed at Bar Building Floor Height (i.e., not at Street level) complete with new footings and foundations, decorative concrete floor, and combination masonry and wrought iron guard rail to 42" above Beer Garden Floor Height. Construction includes new aluminum/glass door at existing building for access from the bar as well as an "Exit Only Gate" adjacent to the new bar entrance/access stairway/handicapped ramp. Gate to be same materials/design as the 42" high guard rail.
