

Financial Support to Child Care Businesses - Child Care Expansion Grants

Goal

To provide expansion grants to already existing child care programs in the city of La Crosse.

Benefits

This program will provide additional child care slots to the City of La Crosse by expanding and growing already existing child care programs.

Eligibility Requirements

Programs must be a regulated (certified or licensed) child care provider within the city of La Crosse.

Ineligibility Includes:

Programs must be in good standing with DCF (Department of Children and Families)

Selection Criteria

The following items will be taken into consideration when determining grant eligibility and amount:

- Number of potential child care slots
- Location of child care program
 - Priority will be given for areas with little to no child care options
- Programs willingness to accept families who receive WI Shares (child care subsidy)
- Programs willingness to accept children under the age of 2 years of age.

The following rubric will be used to score applications to determine awarded applicants and the amount of funding:

Criteria	Points
Number of child care slots (capacity)	1 point per slot
Number of slots that will serve children 0-24 months	Additional 1 point per slot
Accept WI Shares Subsidy	Additional 1 point per slot
Identified geographic area of need	5 points

Group Child Care Centers can receive a maximum of \$15,000 per center

Family Child Care Providers can receive a maximum of \$5,000 per program

The amount of money given will be determined on the amount of work and/or trainings that is needed to expand regulation. This will be reviewed and scored by The Parenting Place. The Child Care Development Coordinator will work closely with the program to help identify if other funding sources are available as well as connect the program with additional community supports.
