I am writing to encourage the board to push forward with the plans for the shelter house for Weigent Park, at 15th and Cass Streets in La Crosse. This is a well used, well appreciated park which could definitely use the updated facilities, with bathrooms that are open and accessible during the day.

I will not be able to attend in person tonight, but will try to be there virtually.

Thanks for all the attention to this and to pushing forward with the plans.
