

From the Offices of the Traffic Engineer
and the Chief of Police
City Hall

**CITY OF LA CROSSE
BOARD OF PUBLIC WORKS
Findings & Orders:**

August 8, 2019

ESTABLISHING

AMENDING

VACATING

TYPE OF ALTERATION: Removal of 2-Hour Parking

GENERAL LOCATION: 600 block 23rd Street North, West side

Report:

A request, application, and petition were received to investigate the 600 block of 23rd Street North for 2-hour parking removal.

It is hereby noted that 60% of the footage is requesting removal of the 2-hour on the west side, but only 43% on the east side. It is recommended to approve the west side removal and refer the east side until all owners/occupants are in agreement. It is a reasonable possibility that if the west side is removed, the east side may follow suit shortly. It is therefore recommended to remove the 2-hour parking in the 600 block of 23rd Street N on the west side of the block.

WHEREAS, Section 44-39 of the City of La Crosse Municipal Code of Ordinances provides that after obtaining a report and recommendation of the Traffic Engineer, the Chief of Police shall forward recommendations and appropriate orders to the Board of Public Works.

AND WHEREAS, the Findings of the Traffic Engineer state the public interest, convenience, and necessity, the Chief of Police hereby Orders the above traffic alterations, to wit:

- Remove 2-hour parking in the 600 block of 23rd Street North as detailed above.

NOW, THEREFORE, the Board of Public Works hereby approves the aforementioned traffic alteration, and City staff is hereby authorized to effect said changes.

Matthew A. Gallagher
Deputy Dir. Engineering & Public Works

Robert M. Abraham
Interim Chief of Police
