Subject: Temporary Street Parking Permit

Good morning,

The STAR Association provides para/adaptive sports for individuals with disabilities. Please find attached our request to park our equipment trailer at Weigent Park. The park and Rec Department has assigned Weigent Park Tennis Courts for our summer programming. We had thought we would be able to park the equipment trailer on the paved area behind the shelter. Because of routine and scheduled maintenance we are unable to do so.

We are requesting to park just south of the shelter. This is away from the playground and allow for full access to the driveways serving the shelter.

Thank you for your consideration
