

To Whom It May Concern:

I am signing and sending this letter on behalf of our neighbors, on the north end of Rivercrest Drive, who are facing the possibility of being evicted from their homes by the City of La Crosse's decision to terminate the lease the city has with Nicolai Apartments and Rivercrest Village MHP on the land that our neighbors' homes sit on.

I have lived in my home, here in Rivercrest Village, for 16 years and for all of those years, it has been MY HOME. I don't know how long our neighbors on the north end of the park have been living in their homes, but however long it has been, it has been THEIR HOMES and THEIR LIVES.

Please do not make our neighbors move, or take away their homes and their lives, as they know it. Some just moved in and plan on living here forever. Some have lived here forever and will end their lives here.
