Re: Request for placing pavers between side walk and curb located at 1501 St Andrew St.

Fenigor Group LLC is requesting that can place pavers on both sides of existing handicap ramp located at our 1501 St Andrew entrance. We plan on extending pavers approximately 17 ft on both sides of ramp. This improvement is being done because of the amount of public traffic coming and going into building. The grass is walked on daily so growth is limited. We thank you for your consideration.

Sincerely,

A handwritten signature in blue ink that reads "Justin T. Hass". The signature is written in a cursive, flowing style. The first name "Justin" is written in a larger, more prominent script, and "T. Hass" follows in a similar but slightly smaller script. The signature is positioned above the printed name.
