Good morning,

I am writing in support of the new Weigent Park Shelter. I view this project as a worthy investment of tax payer dollars.

The current shelter is an eye-sore, doesn't meet bathroom codes for handicapped access, and doesn't have inside multi-purpose usage by people; it is really just used for equipment storage. A new shelter will look better, adhere to all current codes, and provide for indoor functional space for summer programming, meetings, etc. Having functional space will be particularly helpful for the city run summer program as our weather patterns grow more extreme and it will provide a good space to be used for other gatherings such as WHNA meetings, birthday/graduation parties, etc.

Thank you for considering the request for additional funding for the new Weigent Park Shelter.

Regards,
Kathy Sims
