Request for approval for Authorization for Apple Developer Program License Agreement between the City of La Crosse and Apple Inc.

The Board of Public Works hereby authorizes the Director of Information Technology to agree to the Apple Developer Program Agreement on behalf of the City.

- The Director of Information Technology is authorized to agree to future revisions and amendments to the Apple Developer Program Agreement on behalf of the City.
- The Director of Information Technology is authorized to request a waiver of the Apple Developer Program membership fees, as the City is an eligible government entity that will distribute only free apps on the App Store.
- The Director of Information Technology may delegate the technical aspects of submitting the City's agreement to the Apple Developer Program Agreement to other city staff as needed.

Jacky Greschner
Director of Information Technology
