On May 10th 2014 we are planning a grand opening. We are expecting about 200 or so people. We only have room inside our bar for 90. We would like to extend our bar license to the back outside courtyard area. It will be cleaned and landscaped with a bobcat to make the back a very nice clean area.

The area would be a 20 x 20 feet snow fenced in area. If it looks like its going to rain we would like to also put up a tent. Inside the tent we would put up a portable bar that serves only beer. We would also put in the back a couple of port a potties. This is set to start at 5pm in the afternoon till bar time.

Thank you
