MEMORANDUM

To: City Plan Commission, c/o Jason Gilman
Cc: Tim Acklin
From: Tina Erickson
Date: April 2, 2018
Subject: CPC Agenda Item 18-0367

AGENDA ITEM 18-0367

AN ORDINANCE to amend Subsection 115-110 of the Code of Ordinances of the City of La Crosse transferring certain property from the Single Family District to the Residence District allowing construction of twin home at 1710 Hagar St.

LA CROSSE UTILITIES SERVICE LINE AND METERING REQUIREMENTS

Pursuant to PSC 185.52 (2) (b) and the PSC Water Utility Operating Rules of the City of La Crosse Water Utility, there can be only one connection “meter” downstream from a utility’s shut-off valve (typically a Curb Box).

No division of any water service can be made for the extension of the supply to an adjoining lot or parcel of land.

TWINDO (EACH SIDE OF TWINDO TREATED AS A SINGLE FAMILY HOME)

- 2 Service Lines from Main (1 for each condo unit)
 - must be within parcel boundaries and not cross neighboring property line
- 2 Meters – 1 in each premises (Billed to Property Owner or Tenant upon request)

For additional service line and metering requirement information, please contact the La Crosse Utilities Office or the City of La Crosse Plumbing Inspector.
