Mr. Acklin,

As the current president of the La Crosse County Historical Society I would like to express support for including funds for budget item 733, Page 18, LCHS Museum Planning Studies, in the 2022 budget.

The studies that these funds will support are vital to the continuation of long-term planning for a destination museum for the city and county of La Crosse. The Mayor's Task Force is turning the corner to making some real progress in its mission, and it would be a shame not to take the next logical steps forward. This new museum/heritage center will help to draw more and new visitors to the La Crosse area, and any moneys spent now to bring it to fruition will be well worth the cost to the city with its future economic impact.

Thank you for your consideration,

Sincerely,

Robert Mullen
