

Resolution approving Agreement for electrical design and construction management services for on-site generator and control equipment at Municipal Well 22.

RESOLUTION

WHEREAS the Water Utility has budgeted for a project to install an on-site, standby generator at Municipal Well 22,

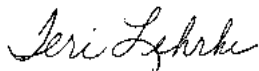

AND WHEREAS Richard Schoch and Associates, LLC has electrical design and engineering expertise for this type of project,

NOW THEREFORE BE IT RESOLVED that the Water Utility is authorized to contract with Richard Schoch and Associates, LLC, in the amount of \$10,365.00, for electrical design and construction services for the project to install an on-site generator and required electrical controls at Municipal Well 22, with budgeted funds coming from the Water Utility funds.

BE IT FURTHER RESOLVED that a contract contingency amount of \$1,500 is also approved, with funds coming from the Water Utility funds.

BE IT FURTHER RESOLVED that the Board of Public Works, Director of Finance Utilities Manager and Director of Public Works are authorized to take any and all steps necessary to effectuate this resolution.

I, Teri Lehrke, certify that this resolution was duly and officially adopted by the Common Council of the City of La Crosse on May 12, 2016.

Teri Lehrke, City Clerk
City of La Crosse, Wisconsin
