Hello Marvin,

Thank you for reaching out to us. Would you have any time available Wednesday August 2nd in the morning?

Brian

Councilman David Marshall

Nora Garland, GENA co-chair

RE: Campbell Road Development

We are working on a new townhome development on Campbell Road (across from Mitchell Hall). Because this is in the neighborhood of Emerson (which my daughters attended) the Councilman, David Marshall, of the area requested I meet with the School regarding traffic concerns and pedestrian safety. Specifically of concern were students walking to Emerson. Would you have a date in the near future to discuss the project and the expressed concerns?

Those CC in this email may be part of the meeting as they feel necessary.

Thanks,

Marvin Wanders
