Hi Nikki,

Thanks for reaching out. The information you received is correct. The property was taken off the market.

Let me know if there is any additional information you need.

With gratitude,
Kat

Good afternoon Katherine,

Last week Thursday, the Common Council denied your application for Conditional Use Permit at 1924 14th St. S. It was stated by Council Member Padesky that he had spoken to you and was informed that the sale of the property did not occur. It was understood that the application was withdrawn.

Can you please reply to this email to confirm that the above is correct and your intent was to withdraw your application. We then make a note in the file and in the record so it is clear the item was denied because the applications were withdrawn; not for any other reason i.e. didn't like the proposal, objections, etc.

Thank you.
