Southside Development
Opposition To Bethany Lutheran Rezoning Request
Item 21-1190 and 21-1192

As you stated Ms. Trost at a previous meeting you would be voting for the residents of Bethany Lutheran because they are your constituents as well. My understanding is the low and lower middle income seniors would not qualify for single bed units with little or no exceptions at this point. What about them now and in the future? There is plenty of available land in our community where we could put up more accommodations for the wealthier senior nursing home facilities.

Also my neighbors with the exception of this Schillers who hired Atty Sean O'Flarity to draft a letter to Todd Wilson at Bethany Lutheran was not shown to other neighbors before submitting it. Not in favor of dropping our opposition in exchange for a restricted covenant. Don't agree to allow future councils the authority to allow for an exception/variance to the restricted covenant by a 2/3 majority vote.

I have owned and lived at my property at 2590 7th st s for about 30 years and always had a great enjoyed the great neighbors at the home.

Hope and pray we can work this out for all parties. 🙌🙏

I am in Arizona right now so will be missing all the meeting.
