Peter,

Attached is the Notice to property owners within 300 feet of the project site. The notice is going in the mail today which will allow the 10-day notification for public hearing before the Board of Public Works on February 10, 2020. Be sure someone from Kraus Anderson is present to answer questions, if any. Although you don't have to specify what kind of noise or the hours you may be working on the application, someone may be present with those questions.

If you have any questions, please contact me.
