Re: Waiver – Section 8.07(I)

To Whom It May Concern:

I have recently been notified by the City Inspection Department that my property located at 912 Cameron Street, La Crosse, has not been registered as a rental unit.

I purchased 912 Cameron Street in the early 1970's. It has always been used as a rental house.

I'm asking for a hardship waiver be granted due to substantial and significant hardship caused by the restrictions and a finding that the waiver will not unduly affect the integrity of the study or the purposes for which this ordinance is enacted since it has always been a rental for so many years already.

Please, let me know when this item will be heard and what I need to do to proceed.

Very truly yours,

Kenneth P. Peterson  
Attorney at Law
