Good afternoon,

I am a resident of the Weigant Hogan neighborhood and want to voice my support for the rezoning and development of the building in Riverside Park into an event venue. This building needs to be showcased to visitors and tourists, it's prime real estate near where our beloved three rivers meet! Whether it's weddings, craft markets, corporate social events, or renting the AirBnB space, I can see this being a positive addition to the local community.

Please support this effort by Hatchery LLC on behalf of myself and my wife who has been a proud resident of La Crosse for her entire life.

Thank you for reading!
