

We the undersigned, are opposed to the ordinance to repeal and recreate Article XVII of Chapter 10 of the Code of Ordinances of the City of La Crosse regulating pawnbrokers, secondhand article dealers, secondhand jewelry, precious metal and gems dealers and secondhand article dealer mall/flea market.

We feel that the proposed changes would create difficulty in conducting a secondhand business in the City of La Crosse. These changes would create an island of disadvantage in the city and could drive business activity and possibly businesses out of La Crosse into surrounding communities that follow the less restrictive state codes currently in effect.
