

Resolution authorizing amended scope of work for parking improvement design.

RESOLUTION

WHEREAS the airport has contracted with the firm I&S Group for the design of a car rental servicing facility under Resolution 16-0169, and

WHEREAS said project will provide for a canopy and parking system equipment for said facility, and

WHEREAS the airport would benefit from canopies and upgraded equipment for the pay terminal parking lot, and

WHEREAS consolidating design services would provide economies of scale for both projects, and

WHEREAS construction is estimated to commence in the fall of 2017 and be completed in the summer of 2018, and

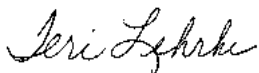

WHEREAS the funds authorized under Resolution 16-0169 are sufficient for this additional work, and

WHEREAS the Bureau of Aeronautics is the agent for the City of La Crosse for said project.

NOW THEREFORE BE IT RESOLVED by the Common Council of the City of La Crosse that the scope of work under Resolution 16-0169 is hereby amended to include the design and bidding of parking improvements to include canopies, parking control equipment, pavement, and related infrastructure.

BE IT FURTHER RESOLVED that the Airport Director and Director of Finance are authorized to take any and all necessary steps to effectuate said resolution.

I, Teri Lehrke, certify that this resolution was duly and officially adopted by the Common Council of the City of La Crosse on September 12, 2016.
