I own a house in lacrosse and am moving away for about six months starting at the end of February. I want to be able to rent my house out to a friend of mine while I am gone.

I'm asking for a hardship wavier to municipal code 8.07i, to make this possible. Thank you very much for your time and effort on this matter. Looking forward to hearing back.

Sincerely

Dear Mr. [Name]

I have a horse in my case and am moving away from
about six months starting at the end of February. I want
to be able to rent my horse out to a friend of mine who
is looking for a training partner to help with
to make this possible. There is a very much
your horse in the area in this area.

Sincerely,
